

# Christophe Clanet

<b>CV in short</b>	
2003 Habilitation on wetting and capillarity 1995–97 Post-Doc at UC San Diego on fluid interfaces 1991–95 PhD at Université de Provence on combustion instabilities 1988–91 Ecole Centrale Marseille	
<b>Employment history and current position</b>	
2012- Professor at Ecole Polytechnique (Paris) – Department of Mechanics 2008- Research Director at CNRS (Paris) – Section Engineering 2001-2019 Assistant Professor at Ecole Polytechnique (Paris) – Department of Mechanics 1997-2008 Research Engineer at CNRS (Paris) – Section Engineering	
<b>Research activities (fields of Interest)</b>	
2009- Sports Physics 2007-2018 Wetting, drops and bubbles 1996-2007 Non reactive interfaces (drops & bubbles) 1991-1996 Reactive interfaces (combustion)	
<b>Teaching activities</b>	
2020- Course on Sports Physics at Ecole Polytechnique 2012- Course on Propulsions-Locomotions at Ecole Polytechnique 2001-2011 Course on Fluid Mechanics at Ecole Polytechnique 2004-2012 Course on Soft Matter at Ecole Polytechnique	
<b>Publications in short</b>	
139	Original articles on peer reviewed journals, indexed on PubMed (English)
2	Books
1	Mook
120	Oral communications/Invited lectures
